### Material

- The aluminium foil contains a food approved lubricate, the amount is depending on the shape and complexity of the container.

### Application

- When used in any form of heating device (e.g., microwave oven, conventional oven, grill, etc.), the end-user must always refer to and follow the instructions provided by the heating device manufacturer. Plus Pack accepts no responsibility for misuse or deviation from such guidance.

### Recycled content

- The recycled content in % is the secondary production aluminium part. This is a calculated average based on raw material supplier data for the last 2 calendar years. It can be subject to changes based on changes from our supplier.
- Be aware that the post-industrial-waste & post-consumer-waste is calculated according to third party information.

### Packaging

- The number of packagings may vary, but the number is equalized by the total order.

### Disposal

- The product and the packaging are made of a valuable material. Please recycle where possible and follow the local waste handling guidelines.
