### Material

- RPET contains post-consumer waste, i.e. bottle scrap, therefore material color may vary from batch to batch.

### Application

- This tray can be used in combination with a sealing film and/or skin pack film for product presentation and extended shelflife. To make sure the application is within the expectations, always make sure to do a thorough test.

### Recycled content

- Be aware that the post-industrial-waste & post-consumer-waste is calculated according to third party information.

### Packaging

- The number of packagings may vary, but the number is equalized by the total order.

### Disposal

- The product and the packaging are made of a valuable material. Please recycle where possible and follow the local waste handling guidelines.
